For further information refer to the UAH catalog. There should be no deviation from the announced final examination schedule. A student with three exams in one day has the right to have the middle exam rescheduled by mutual agreement between student and instructor and must be agreed upon by the end of the final week of class. Grades are available on the web at uah.edu.

Final exams for 10 week courses may be scheduled during last class period of term instead of following exam schedule - make announcement to class. Additional dates and deadlines available at uah.edu/registrar/calendars
